

2014 CST CNTRP Research Innovation Grant Competition

CALL FOR RESEARCH PROPOSALS

The Canadian Society of Transplantation (CST) and the Canadian National Transplant Research Program (CNTRP) are pleased to announce the launch of a new Transplant Research Grant Competition. The CST is providing \$50,000 to support two new pilot operating grants focusing on the translation of enhanced non-invasive diagnostics and monitoring into clinical practice.

Each operating grant of \$25,000 will be awarded based on demonstration of scientific merit, feasibility and integration. More details about the eligibility criteria and the application form may be found on either the CST or CNTRP websites at:
