Dedicated exhibitor hall welcome reception, breaks, lunch pickups, wine and cheese poster sessions will be held in the exhibit hall. When delegates are in session, exhibitors will not be required to be at booths. Exhibitors however will be encouraged to arrange meetings in advance of the event. If you require advisory board meeting space please contact us for providing logistical details.

#### ABOUT THE CANADIAN SOCIETY OF TRANSPLANTATION

The Canadian Society of Transplantation (CST) is the organization of professionals dedicated to leading, advancing and advocating for patient care, research, and education in donation and transplantation in Canada.

#### ABOUT THE CNTRP

The Canadian National Transplant Research Program (CNTRP) is a nationally funded research network that unites researchers, patients and trainees from across Canada to increase organ and tissue donation in Canada and enhance the survival and quality of life of Canadians who receive transplants.

LA SOCIÉTÉ QUÉBÉCOISE DE TRANSPLANTATION A POUR MISSION ET OBJECTIFS DE

- regrouper les professionnels impliqués en transplantation d'organes et de tissus,
- promouvoir le progrès de la transplantation d'organes et de tissus au Québec en édifant un forum d'échanges scientifiques et pédagogiques,
- représenter ses membres dans l'élaboration des politiques régissant la transplantation d'organes et de tissus au Québec,
- représenter la communauté de transplantation du Québec au niveau national et international,
- recevoir des dons, legs et autres contributions de même nature en argent, en valeurs mobilières ou immobilières, administrer de tels dons, legs et contributions et organiser des campagnes de souscriptions dans le but de recueillir des fonds pour des fins charitables.

## 2016 Sponsorship

JOINT CST-CNTRP-SQT  
SCIENTIFIC MEETING  
OCTOBER 13 – 16, 2016  
QUÉBEC CITY, QUÉBEC

# In Québec City,

Joining forces for the first time the **Canadian Society of Transplantation** and the **Société de Québec Transplantation** are bringing all of the transplant professionals in Canada together at the steps of the old town from October 13 to 16, 2016. Together the societies will host 425 of their members for 3.5 days of world-class educational programming. Making this meeting even more robust is the full day Astellas Fellowship Symposium, the CNTRP Annual Meeting, the SQT's Pierre Daloze Symposium, and the American Society of Transplantation's sponsored sunrise symposium.

## TITLE SPONSOR \$50,000+

## PARTICIPATING SPONSOR \$5,000

- Opening plenary recognition
- Exhibit booth space 8x10
- Complimentary Registration for two (2) Representatives
- Invitation for one (1) Company Representative to Sponsor Reception
- Company acknowledgement in Conference Materials and Websites

## JOINT CST-CNTRP-SQT SCIENTIFIC MEETING

Each year the Society's highlight is its annual meeting, however we have more to celebrate as the Society is enjoying a renaissance year with the announcement of the Public Solicitation Guidelines in Canada, the National Organ Surgery Course in Montréal in November, the recently released monthly Organ Donation Webinar series, just to name a few more highlights.

As a member of the transplant community, we hope you will join us this year. To gain access to the main plenary room at the Hilton Québec delegates will be walking through the exhibitor's hall. The exhibitors will still be invited to the popular President's Cocktail but we will only host one main social event freeing up time for all participants to enjoy the local restaurants in Québec City.

### ADD TO YOUR SPONSORSHIP PACKAGE:

- Breakfast Symposium: \$5000
- Lunch Symposium: \$7000
- Coffee Break Sponsor: \$3000 per Break
- Lanyard Sponsor: \$2500

Past Exhibitors included Astellas, Novartis, Pfizer and many others.

### PLENARY TOPICS INCLUDE:

1. Tolerance
2. Organ Allocation
3. Organ Donation & Ethics
