

CST Nursing and Allied Health Travel Bursary

TERMS OF REFERENCE

GOAL: To encourage and facilitate CST nursing and allied health (NAHP) members to attend the CST annual scientific meeting, including the NAHP meeting. This bursary is intended to support both senior and new members as we recognize the value that both bring to our society and the NAHP group. Specifically, the depth of knowledge, experience in research and clinical care and mentoring opportunities from the senior members and the fresh insights, novel perspectives, and potential longevity of membership from new members.

For these awards, all applicants must be CST members and CST NAHP group members in good standing and must not have been recipients of this bursary in the previous 3 years.

There are 5 awards available, of which preference will be given to two of the following applicants, however not exclusive to:

- Those that have submitted an abstract and/or,
- Those that have been invited to present an oral presentation and/or,
- Those that are active members of CST groups or committees

One of the five awards will be reserved for an applicant who is a first-time attendee of the CST conference. Bursary recipients will be expected to attend the CST NAHP AGM/Education session (in-person attendance).

Final decisions on award recipients will be at the discretion of the CST NAHP Executive.

NOTE: Recipients of other CST travel grant/bursary/award for the CST Annual Scientific Meeting 2025 *will NOT be eligible* to receive this CST NAHP Travel Bursary.

PROCESS: Completion of the application form will be required to apply for the award. Up to 5 NAHP Travel Bursaries (each \$2000 value) will be granted each year based on available funding to members of the CST NAHP Group. Bursaries are first come first serve basis.

We will use this Award Decision Point System
